GROWING IN THE WORD: ARCHAEOLOGY AND THE HOLY LAND

Seeking to learn more about the people and places of the Bible? Thinking about or planning a trip to the Holy Land? Come join us for a series of informative presentations that will acquaint you with the history, geography and archaeology of the biblical world. The topical focus will be on the settings of the Old and New Testaments providing participants a

cultural immersion experience allowing them to better contextualize the world of the past as it applies to the world today.

**Session One: June 9, 2021
Geography and the Peoples of the Holy Land**

**Session Two: June 23, 2021
Architecture of New Testament Times**

**Session Three: July 7, 2021
King Herod and the Holy Land**

**Session Four: July 21, 2021
Jesus' Ministry Galilee and Judea**

The series will be offered online beginning June 9, 2021 and will release every two weeks on the St. John Fisher website: www.sjf.org.

Once at the SJF website click on the Faith Formation tab and then the Bible Studies tab to access current online offerings.
