JUSTICE AND SERVICE (JAS)

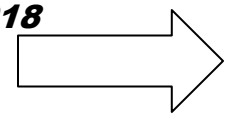

As Christians we see the people we serve as important and unique. If we believe in a loving God, we also see those people as children of God. A service experience is a way of being the "Face of Christ" to one who has suffered or is in need of our help. Through your Justice & Service, your heart is opened by the work you do, and when you open your heart, you discover God is there.

You are expected to complete one Justice and Service (JAS) activity each semester and submit the following reflection paper by the due date. Any volunteer activity that directly helps another person or advocates for the good of others applies. If you are currently involved in volunteer work, you may use your existing activity if it meets the criteria.

PRAYER ENCOUNTER & WORSHIP (PEW)

It is important for you to participate in St. John Fisher Praise and Worship Experiences. These experiences strengthen your relationship with God and connect you to His Church. While most activities take place at St. John Fisher, some will take place within the Los Angeles/Orange County area.

You are expected to participate in one Prayer Encounter & Worship (PEW) activity each semester and submit the following reflection paper. Only events listed on the PEW sheet qualify for this requirement. Or you may contact your Confirmation Coordinator to see if an outside experience applies.

Your Reflection

What did you learn about yourself while doing this service project? What gifts did you discover in yourself that helped you?

What is one challenge you handled particularly well? What is one area in which you struggled?

Previously, you picked three areas in which you would like to grow as a result of your service work. Has that growth taken place? If so, how? If not, why not?
