

# CATHOLICISM: *The New Evangelization* STUDY PROGRAM

Legion of Mary will be presenting Bishop Barron's four-part 'CATHOLICISM: *The New Evangelization*' DVD series.

CATHOLICISM taught us what the Church believes and why. CATHOLICISM: *The New Evangelization* shows us how to put our faith into action with new ardor, new methods and new expressions.

There will be discussion and refreshments following.

September 19 - Lesson One: *Introduction and New Ardor* - "What is the New Evangelization?", "Why is it worthwhile?", and "How does one do it?"

October 17 - Lesson Two: *New Expressions* - It's not an expression of a different truth, but the same truth proclaimed and lived by Christ, that we have to express in a different cultural setting.

November 14 - Lesson Three: *New Methods* - Bishop Barron calls for "using the means and methods of our time to evangelize." In today's culture the Internet and social media plays a huge role.

December 19 - Lesson Four: *Faith in Action* - The New Evangelization Formation Program includes a workshop-style session that guides participants in developing their own new evangelization action plan, either as individuals or as a Catholic group.
