

CALLED TO RENEW

As part of the Archdiocesan-wide *Called to Renew* campaign, St. John Fisher parish will affirm our commitment to our faith and answer a call for renewal here in Southern California by contributing \$1.4 million of our *Campaign 21: Completing the Vision* goal to this effort. This historic Archdiocesan campaign, *Called to Renew*, will strengthen parishes, families, and communities through unity and action by providing funding in four critical areas:

Strengthening Our Parishes

Deferred maintenance for parishes and schools

Serving the Vulnerable

Ministries for the Sick and Dying and Restorative Justice

Supporting Priestly Vocations

Support for St. John's Seminary, Queen of Angels Center for Priestly Formation, and the Cardinal Manning House of Prayer

Faith of Future Generations

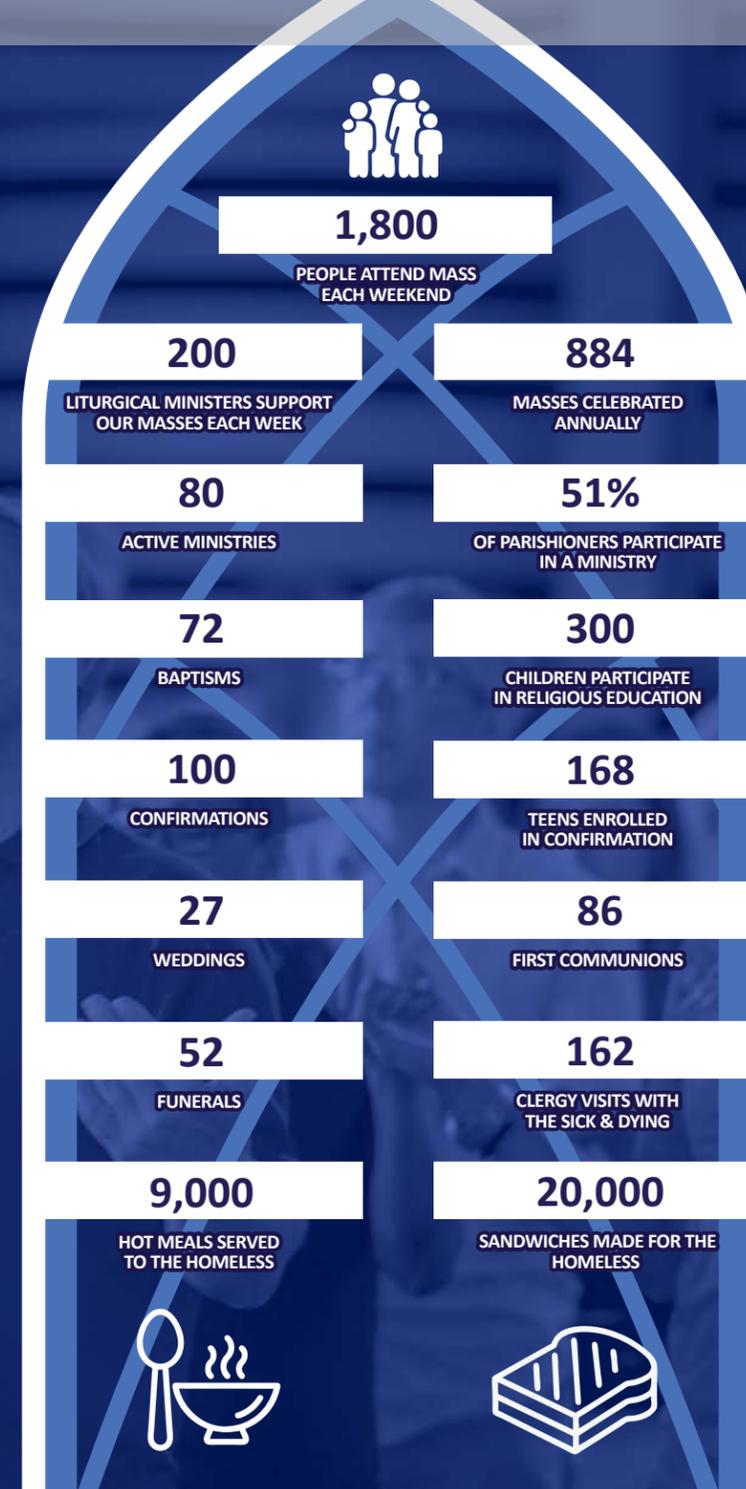

Funding Catholic Education Scholarships, Increasing College Campus Presence and Ministries

OUR IMPACT IN ONE YEAR

At St. John Fisher, all are welcome as we come together in celebration of faith. Today, our parish serves almost 3,000 families. The fruit of our worship is our more than 80 vibrant, active ministries and faith formation classes that serve not only our community but hundreds of people outside our parish boundaries through our Agape Ministry and Mission Circle-Peru, and through partnerships with local Food Banks, Christian Outreach in Action, Family Promise of the South Bay, and PV Resale.

Completing the Vision

ST. JOHN FISHER CATHOLIC CHURCH

MESSAGE FROM MONSIGNOR

For nearly 60 years, St. John Fisher Parish has been a beacon of light for our community on the hill. As our sign proudly announces to all who pass, we are *A Catholic Community for All* that takes seriously its mission to *Love God. Love all people. Make disciples.*

Together, we built a beautiful new church, visible to the community and conducive to full, conscious, active participation. At the time we built our church, the entire vision of *Campaign 21* could not be completed, due to financial constraints. Today, the Archdiocesan-wide effort *Called to Renew* provides the ideal opportunity to fulfill our vision for a cohesive, welcoming campus as laid out in our 2006 master plan and to meet the space demands for our thriving ministries and programs.

I am pleased to announce the launch of our *Campaign 21: Completing the Vision* to create a centralized Pastoral Center, expand our gathering spaces to serve the growing needs of our parish ministries and programs, and address the security and safety needs of our parish children. *To accomplish this important endeavor, we need to raise \$8 million.*

To be successful, I am asking every parish family to help by making a sacrificial gift to support this effort. Before you decide on the amount of your gift, please prayerfully consider the generosity God has shown you, and the importance of our mission and Christ's call to *Love God. Love all people. Make disciples.*

Yours in Christ,

Rev. Msgr. David A. Sork
Pastor

PASTORAL CENTER

The Pastoral Center is the keystone of our campus master plan. Its central location, clearly visible and accessible, will draw people together and enable the parish to serve more effectively its pastoral needs.

This new facility will provide our parish a place of welcome for visitors and parishioners to serve all of their needs; three additional meeting spaces with after-hours access; a secure perimeter around our school facilities; and, a much-needed, basement-level storage facility for our Liturgical materials, parish archive, and seasonal decorations.

A PLACE TO MEET ALL YOUR NEEDS

- Information about the school
- Faith formation for children and adults
- One-on-one counseling with a priest
- Candles for the Church
- Mass intentions
- Arranging a baptism, funeral, or wedding
- Reserving a room for your ministry
- And a myriad of other needs

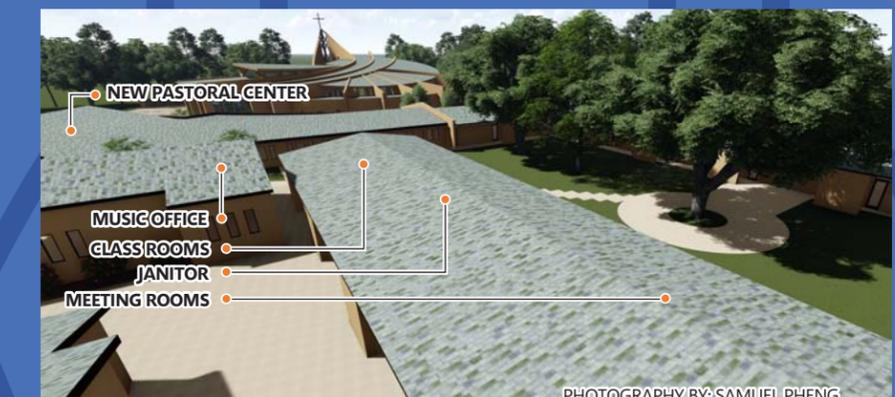

GATHERING SPACES

With an explosion of ministries over the past 20 years, we need additional, more functional space to gather and serve our growing community and satisfy the needs of all who wish to meet.

SAFETY FOR OUR CHILDREN

The strategic placement of the Pastoral Center will create a locked perimeter around our educational facilities, with secure access points ensuring the safety of our parish children.
