### Home is Holy: Seeing is believing!

Have you heard the saying, “Seeing is believing?” It means that it is hard to believe something unless you see it for yourself. That’s generally a good way to measure if something is *real*, but not necessarily if something is *true*. For instance, in today’s Gospel, we read about Jesus walking on water. We can understand why his disciples have a hard time believing their eyes. Jesus invited Peter to try walking on water, and to Peter’s surprise, it worked—as long as he kept his eyes on Jesus. To us, this seems unreal, But it reveals a truth that cannot be denied: Jesus is God, and with God all things are possible. Even if we can’t understand how or why God does things, we can trust that he has our best interests in mind. God’s plans for us are always good; if we keep our eyes fixed on Jesus, we will eventually see God’s plans revealed.

### Plans keep changing, thank you for your patience!

The Archdiocese has let us know we cannot offer in-person Religious Education classes until Los Angeles County is no longer on the watchlist for COVID-19. Our first priority always has to be the health and safety of the children and volunteers in our programs. Classes will begin this fall, but they will start off in a distanced-learning/home-schooling format, and transition to in-person learning as soon as possible. Rest assured that we will observe all social-distancing protocols when in-person classes resume. We are working on planning a flexible program, with both in-person and online options as needed. In the meantime, because the situation keeps changing so rapidly, we have not been able to finalize the SchoolSpeak registration form and get it to you. We hope to finish it soon,

and have it ready for you this week. Thank you for your patience!

## HIGH SCHOOL TEENS

### Graduation Mass for High School Graduates:

We will be honoring our local high school and returning college graduates at our 5 pm Mass outside on Sunday, August 9.

### Gospel Recap “Careful What You Reach For”

Be very careful what you reach for when you are hurting or fearful. This is today’s Gospel message when Peter finds himself sinking in a storm. He reaches out to Jesus, who brings him to safety. Remember, we have no control over which storms burst in our lives. Here we are in a global pandemic, and none of us had any warning, but our lives have totally turned upside down. Remember that we do have control over who or what we reach for when the storms come. Like Peter, we’ll find ourselves sinking if we take our focus off Jesus during those tough times. Teens are vulnerable to a lot of storms, due to pain and hurt they just can’t avoid or control. Many feel an unyielding pressure from parents, teachers, or coaches to excel. Try to always reach out to Jesus for help. Turn away from some things that others may choose; like isolation, cutting, drugs, sex, or violence. Strengthen your prayer life. **Don’t miss Mass - It is available outside or even online.** Talk to a priest or a trusted counselor. Like Peter, you’ll find Jesus offering you strength, peace and a safe passage through to the other side.

### High School Confirmation Registration Coming Soon

Thanks for your patience as we get all of our ducks in a row for our revised Online Confirmation program this Fall. We are working with SchoolSpeak to get everything set up for registration, and we will be using Google Classroom. Please email Ricardo Mata for further Confirmation questions at [rmata@sjf.org](mailto:rmata@sjf.org).

## St. John Fisher Teachers Get Ready for Fall 2020

Despite the chaos of the pandemic and the uncertainty of school reopenings, the faculty and staff of St. John Fisher School are hard at work, preparing a rich, robust academic program and a safe environment for their students that will engage them and challenge them in distance learning and in-classroom instruction.

All the necessary steps are being taken to make the SJF campus in compliance with CDPH and CalOSHA guidelines to allow students to safely return to school as soon as possible. The school, in conjunction with the Archdiocese of Los Angeles and Department of Catholic Schools, has begun the CDPH waiver process to assist with a more immediate return to the classrooms.

In the meantime, teachers met this week to discuss and develop a solid plan for distance learning. Parent and student feedback from the spring was shared and taken into consideration while strategizing a strong start to the school year. Teachers brought their experience and expertise in technology applications to the discussion, while also bringing compassion and concern for students and their families. A balanced schedule of synchronous and asynchronous teaching was created, and student expectations were identified to allow for a consistent, productive remote learning experience at all grade levels TK-8. The greatest priority for the faculty was to outline a framework for success for the students, coupled with the necessary technological and emotional support to enable the highest level of student achievement possible. Teachers are energized and motivated to begin planning a successful year for their students in light of whatever teaching circumstances the pandemic throws their way.

## Face Coverings Request

Masks are required for all outdoor Masses and when coming to receive communion for everyone over the age of 2. This is crucial in preventing the spread of COVID-19. Masks must cover the mouth and nose at all times except when receiving the Eucharist. Please keep at least 6 feet social distance from one another at all times.

## Mass Intentions at St. John Fisher

Each Mass at St. John Fisher Church is given for a special intention. Many parishioners request Mass intentions for their friends and family members. While the Parish Office is closed, you can reserve a Mass intention by calling the Parish Office. Masses can be reserved for up to six months before the requested date. The suggested donation is \$20 and can be sent by mail or dropped at the Parish Office.

## Knights of Columbus Presents "Into the Breach"

In the past two decades, more than 14 million Catholics have left the faith. In the face of these losses, Catholic men are called to put aside any hesitation to live a life of mission. We must enter into the breach. Christ calls us to a life of continued formation so that, with grace, we can seriously engage in the war for our souls. That's why

the Knights have produced "Into the Breach", a video series inspired by Bishop Thomas J. Olmsted. Over the next several months, your local Knights of Columbus council will be holding online sessions to watch and discuss various "Into the Breach" segments. Through small group discussions, we will learn how to be stronger fathers, better husbands and men fit for the breach. Our first session will be Monday, August 17 at 6:45 pm. Please call **323-386-2333** to request online session instructions. You may also preview the videos at <http://www.kofc.org/intothebreach>.

## Did you Know? Build appropriate social media relationships

Online relationships are important, especially for teens and young people. But adults who use social media to connect with the children in their lives need to be sure that they are building appropriate relationships. Before sending a friend request, consider the "PAN" standard. While used commonly for appropriate real-life touch, in today's increasingly virtual use, PAN is a good benchmark for online interactions. Communications should be Public, Appropriate, and Non-sexual. For more information, request a copy of the VIRTUS article "Before you send a young person a 'friend request'" at <https://lacatholics.org/did-you-know/>. *Parish Safeguard the Children Contact: Margaret Johnson, 310-377-4573 x136, [mjohnson@sjf.org](mailto:mjohnson@sjf.org).*

## Hearts to Serve

This is an opportunity for us as a Catholic community to come together in prayer and service. For this reason, the Archdiocese of Los Angeles is launching, in partnership with Saint Vincent De Paul and the Knights of Columbus, Hearts to Serve. Hearts to Serve is a hotline to serve our families in need but most importantly our elderly community who are homebound during this difficult time. ## Stewardship Reflection

“He said, “Come”. Peter got out of the boat and began to walk on water toward Jesus.” Matthew 14:29

When you hear Jesus calling, do you respond immediately and trust that He knows what He’s doing? If so, you are walking on water! When we say “yes” to Jesus, we feel the power of his presence in our lives. We can feel the freedom it gives us! Listen how Jesus is calling you to live the extraordinary life He has intended for you.

## Growing in the Word: Book of Ruth

The book of Ruth is one of only two books of the bible to be named after women. Even though it is a short book of four chapters the lessons are profound and impact our lives today. A journey of two women takes us from loss to joy and redemption. Several things are learned along the way including

God’s concern for all people; men and women are equally important to God; God uses “little” things to accomplish great plans; and God has a “Redeemer” in place who can rescue us from emptiness and desolation. To join us for this one night Zoom presentation on Monday, September 28 from 7 pm-8:30 pm, please email Misty at [mjesse@sjf.org](mailto:mjesse@sjf.org) or call the Office of Evangelization, **310-377-4573**. Deadline to register: September 24th.
