Stewardship Program Final Report

The commitment phase of the Stewardship Program has concluded. Thank you to all who responded. 142 parish households have made a commitment of their time and talent in support of our parish and community. 344 households have made a financial commitment in support of the parish totaling \$974,331 for the year 2019. In addition, approximately 403 parishioners are enrolled with FaithDirect and have committed to support our parish electronically. This reflects how our parish families are considering giving the first portion to the Lord. If you have not responded to the commitment process and would like to join your fellow parishioners and make a pledge, please contact the parish office to obtain a commitment card or to get more information about electronic giving. By giving back in gratitude to God the first portion of the gifts He has given to you, you will enable your parish to continue numerous ministries and outreach programs within our Parish community and the South Bay communities. Thank you and God Bless!

Home is Holy: Feast of the Holy Family

Every year on the Sunday after Christmas, we celebrate the Feast of the Holy Family. It is easy to think of the Holy Family as leading perfect lives. But when we speak of the Holy Family, we speak of a family that struggled and suffered, like so many of us. Mary was pregnant before she married. Joseph chose to marry a woman who was pregnant, although he knew the baby wasn't his. Soon after the birth of their child, the family became refugees, fleeing persecution. Their son was put to death as a criminal. Surely this isn't a picture-perfect family we would like to emulate! The Holy Family shares our burdens, but they also uplift us by their example. Jesus, Mary and Joseph were never alone. They endured through the grace of God. They prayed. They hoped. They trusted in God's will. Yet, through all their hardships, in a time of anxiety and difficulty, persecution and tragedy—a time very much like our own—they showed us how to be people of

faith, people of forgiveness, people of love. May God be just as close to your holy family today and throughout the coming year. Today children at the 9 am Mass will receive a Jingle Bell necklace, to remind them to keep Christmas going!

Religious Education Class Schedule, Preschool-Grade 8

Gospel Recap: "Even Holy Families Aren't Perfect"

In this week's Gospel, Jesus takes off without telling his parents, and his parents seemingly don't understand him. Mary speaks firmly to Jesus when they finally find him, and Jesus responds with what sounds like a smart remark. It would seem that the original Holy Family wasn't a perfect family. Just as in our own experience, Jesus grew up in a family that had its own share of normal conflicts and misunderstandings. But Jesus' family was holy because God was so much a part of daily family life. It was during a religious trip to Jerusalem that Jesus was lost. We know that all families are under a lot of stress and pressure, but what we need to remember is that whatever your family situation is, you can make your family more holy by involving God in your relationships. Go faithfully to Mass each Sunday, and work through difficult situations by praying together. Call on God's strength to keep harmony and to encourage forgiveness during the tough times. So it's not necessary to try to have a perfect family. Just try to your best to have a holy family.

Continuing the Tradition

Continuing a St. John Fisher School tradition, students from all grades took turns visiting the Nativity exhibits at the Daughters of Mary and Joseph Retreat Center. After a brisk walk over to the center, students were treated to a video presentation, story time and Christmas treats. The highlight of the trip is always the viewing of the beautiful nativity scenes, donated temporarily, from all over the world. The scenes are fashioned from varied materials, from banana fiber, to glass beads, to beautiful polished natural wood. Students spend time reading about the exhibits and picking their favorites. At the end of the visit, students receive a craft to complete back in their classrooms. We encourage everyone to plan a visit – it will put you in the Christmas spirit!

Did You Know? Always keep your blind spots in mind

Each week, more than 50 children are killed or injured when a driver backs up a vehicle. In an overwhelming number of those cases, a parent, relative, or close friend is behind the wheel. It's devastating to think that a simple action could cause such harm to your child, but it happens far too frequently. Be aware of your 'blind spots' when you're behind the wheel — those areas you know are there, but can't see clearly from your mirrors. Check out what's happening around your vehicle before you get in. Make sure you know where your children are before you start your car. Holy Family of Jesus, Mary, and Joseph

The family has been called the “domestic church” as it is the first encounter children have with the Gospel, and it is the dwelling place of faith and lived Christian relationships. In today’s Gospel reading, Luke provides us with an image of family life that relates to many of our own

families in that even the Holy Family had their share of challenges. We know from experience that we learn more by imitation and example than we do by preaching and teaching. How we live the gospel message in the midst of family life reveals more of our faith commitment than what we say about the Gospel. Our homes and families ought to be places of security, welcome, love, care, concern and forgiveness. Speaking such things does not mean as much as living them. The behavior of the Holy Family spoke more loudly than their words. Today on this feast of the Holy Family, we might pause to consider what message we convey by our actions.

Stewardship Reflection

“See what love the Father has given us, that we should be called children of God; and so we are.” 1 John 3:1

During this season of giving, let us remember the most important gift we have received, being children of God. As God’s children, it’s important that we express our love for others as well. Tell your spouse, children and other family members and friends that you love them, frequently.

Dawn Unity, January 15th, Ner Tamid

Congregation Ner Tamid, 5721 Crestridge Rd., will host “Heaven and Hell: Reward and Punishment” at 7:30 pm Tuesday Jan. 15. Different faiths have their own views, including: How important is the promise of eternal paradise in convincing people to live a moral and ethical life; How terrifying is the possibility of spending eternity suffering for grievous sins, and which is the greater incentive? Can ethical conduct be expected absent reward and punishment? Our panel includes: Rev. Jonathan Chute, Rabbi Brian Schuldenfrei, Fr. Alexei Smith, and Professor Jihad Turk.

Reclaiming Life-Suicide Loss-Grief Support, Jan. 8

Each year, over one million people end their lives by suicide. All death unsettles us, but suicide causes a very distinct set of emotional, moral and religious scars. It brings with it an ache, a chaos, a darkness, a stigma that only one who has survived it can understand. This presentation provides powerful firsthand experience and offers hope to those who have experienced suicide loss. The program will be offered on Jan. 8th, 3 pm-5 pm and repeated in the evening 7pm-9pm. Location: Fireside Room. Questions call Misty: **310-377-4573** x130.

Great Adventure Series-First Corinthians

This thirteen week bible study will be offered on Tuesday evenings, 7 pm to 9 pm in the Fireside Room beginning January 15th. The presentations will show how the issues of the early Christians relate to today’s Church, and Christ’s gift to us, the Eucharist. The format for the study includes a weekly DVD, a workbook and facilitated group discussions. To reserve a seat please call the Office of Evangelization at **310-377-4573**.
