Welcome To Saint John Fisher

We are a welcoming Parish. Whatever your present status in the Catholic Church, whatever your current family or marital situation, whatever your past or present religious affiliation, whatever your personal history, age, background, race or color, sexual orientation, whatever your self-esteem: you are invited, welcomed, accepted, loved, and respected by the Catholic Community of St. John Fisher.

Keeping the Children Safe

Like many of you, I was appalled to read about the sexual misconduct of former Cardinal McCarrick and still question how he was allowed to advance to high places. I am ashamed about what occurred in the dioceses of Pennsylvania over the past 70 years, and I am mindful the Archdiocese of Los Angeles had to settle law suits for the misconduct of priests that occurred between the 1930s through the 1980s. However, I am also aware of the many steps that were taken by the Archdiocese to prevent that from occurring again and, above all, to protect the children. I have inserted in today's bulletin a letter from Archbishop Gomez about the efforts of the Archdiocese to protect the children over the past 30 years. I ask you read the 6-page document with the timeline of what has been done. In my monthly letter to the parishioners I will let you know what we as a parish have done and are doing on an ongoing basis to keep our children safe.

Religious Education Classes, Pre School-Grade 8, begin Sept. 23. Register Today!

Home is Holy: Have you heard? He has done all things well!

When Jesus healed the deaf man, all the people were astonished. Jesus was fulfilling a prophecy about the kingdom of God. How is your family bringing the kingdom of God to pass? You may not be able to open the ears of the deaf, but you can certainly give drink to the thirsty and food to the hungry. Even the littlest things can bring about God's kingdom. What are some ways God has helped you to bring his kingdom to life in your own home? This week, children and parents are invited to visit the Religious Education table near the grass, to pick up a bottle of water and some inspiration!

Does your child love to sing? Children's Choir starts soon!

Come join the St. John Fisher Children's Choir after school on Mondays, 4:00-5:15, beginning **September 10**. All boys and girls in grades 2-8 are welcome, no auditions necessary. Make new friendships while learning about music and singing songs to God. For more info, contact Carolyn Correnti, Director at **310-547-7261** ccorrenti@sjf.org.

Is God calling you to become a catechist?

Looking for a way to increase your faith and your closeness to God, while helping others? God might be calling you to be a catechist (Religious Education Teacher). The children of the parish need you to share your faith with them. Religious Education teachers are needed at several grade levels on Sunday mornings and Tuesday afternoons. No experience needed! Training, resources, and lots of support are provided, and you can work in a team with your friends. Contact Margaret Johnson for more information!

Gospel Recap: Let us all 'Be Opened'

Most of us stay pretty busy day in and day out. Our minds tend to stay focused on the next task or appointment. So sometimes we can miss the birds singing or even the cries of those who most need us. Jesus says, "Be Opened" this week when he heals the deaf and mute man. Many people within our own families, schools, and offices need our ears to be opened to them. Many don't want our advice. They just want us to listen without judgment when they share their hurts. Others need us to stand up with or for them at school or in our community. They need us to listen more closely to understand their problems. Lastly, our parents or mentors are trying to give us advice to live our best life. They need us to take in their wisdom, without getting overly defensive. This week, ask Jesus to open your ears so you can listen more closely to those who need you, or whom you may be forgetting.

Focus on 4th Grade

The phrase “Fun in 4th Grade” certainly holds true at St. John Fisher School. Students always seem eager to get to class, ready for the school day to begin. They approach each day with the positive thinking of a growth mindset:

Making mistakes means I’m learning
 Nothing is Impossible
 Never give up
 I am Determined to do this
 Stay focused on the goal
 It might not be Easy, but it is worth it
 Whether I Think I can’t, I can. I’m right

Daily lessons are rigorous, enhanced by their new Sadlier Math series and Loyola Press *Voyages* Grammar and Writing series. Students enjoy special classes in Spanish, Computer, Music and PE, and look forward to Mondays and Thursdays in the Middle School science lab. Focusing on California history and government, Social Studies classes come to life through field trips to the Banning Museum and Mission San Juan Capistrano, local Native American tribe projects, building mission models on Mission Building Day, and a day-long California Day enrichment with hands-on activities and performances, organized by the class parents.

In class, they eagerly anticipate their reading workshop flexible seating, adding marbles to the Vocab Jar, and participating in their classroom economy, especially paydays, where they get paid class cash for doing their classroom jobs and bonus brain work.

*School life is never dull in 4th grade –
 come check us out!*
