THE SEVEN CAIRNS

MARKERS ON THE SECOND MOUNTAIN OF LIFE

PRESENTED BY FR. BRENDAN MCGUIRE

Jesus never promised the journey would be easy, but He did promise it would be joyful. Have we missed the markers along the way?

Come discover the markers of the path of discipleship.

THE SEVEN CAIRNS OF THE PATH

1. **Self-Awareness** | Notice what is actually happening
2. **Humility** | Admit uncertainty, remain open
3. **Love** | Choose what serves genuine flourishing
4. **Gratitude** | Recognize existence as a gift
5. **Community** | Seek wisdom beyond yourself
6. **Hope** | Trust faithful action matters
7. **Joy** | Deep gladness in being present

**“Not destinations. Just markers on the path.
Return to them again and again.”**
