Ephesians: Discover Your Inheritance

Your Inheritance as a Child of God

Ephesians was one of the most widely circulated of St. Paul's writings because of its powerful, practical instructions for disciples of Christ. In fact, its six short chapters contain some of the most discussed passages in the New Testament. *Ephesians: Discover Your Inheritance* examines many important themes that are still relevant in today's Christian culture and society - the nature of marriage, the purpose and role of the Church, the preeminence of grace in God's plan, and the reality of spiritual warfare.
