FAITH ENRICHMENT SCRIPTURE STUDY SERIES

GROWING IN THE WORD:
JOSHUA, JUDGES

Joshua Bible Study

In Genesis, God promised Abraham many descendants and the making of a great nation (Gen. 12:2). In Joshua the promises are brought to fulfillment. The study of Joshua provides us with images of Israel's successes and failures.

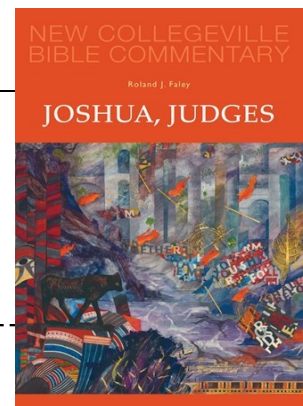

Judges Bible Study

The Book of Judges covers a period of 150 years. The narrative provides us with a history of the religious and political development of the tribal life of the Israelites. Judges, is a time before national unity among the tribes with the only thing binding the people together is their faith in the one God.

Join us for this eight week exploration into Bible history using the Collegeville commentary edition along with the Catechism of the Catholic Church.
