The Mustard Seed Faith Sharing Bible Study

Topic: Book of Isaiah – Part II - Small Group Bible Study

The Book of Isaiah, found in the Old Testament, presents us with a challenging and poetic text consisting of 66 chapters. Isaiah is a major prophet whose prophecies alternate between promises of judgment and promises of restoration. God's people are reminded of their sin, the judgment they deserve, and the grace of God who saves sinners. The image and language of the "suffering servant" found in Isaiah is one which is carried forward by the New Testament writers and shapes our understanding of Christ. Join us for Part II of this series as we explore the Prophet Isaiah, Chapters 40-66, the world he lived in and the impact and meaning of his prophecies.
