SJF Parish Registration

Sacrament Preparation

It is required that you provide your child's Baptismal certificate when registering new children.

- Children begin as early as Grade 1
- Preparation for First Communion/First Reconciliation is a two-year process
- We support families in the Sacramental preparation process. Year 2 will hold several required gatherings, including parent classes, meetings, and family retreats throughout the school year.
- Children are expected to enroll in Religious Education sessions according to their grade level
- All families are welcome to meet with the Director of Religious Education, Kim St. Romain after registration is completed. Scheduling a Family meeting is expected for Year 2 families and OCIC families in Year 1.
- Baptisms for children in Grade 1 and above is called Order of Christian Initiation for Children. Children not Baptized in the Catholic Church would enter the OCIC process. The OCIC process leads to the Easter Vigil for the celebration of Sacraments and being received into the Catholic Church.

What is REPA? Religious Education Parent Association

REPA is a committee that provides prayerful input and recommendations regarding the groups and events that fall under the St. John Fisher Religious Education department. This group is pastoral in nature. It works from investigation, reflection, and an awareness of the needs of the community. REPA moves with an attentiveness to the spiritual well-being of families with children.

The mission of REPA is to facilitate spaces for a New Vision for Catechesis to occur within the various groups and events that fall under RE and to provide funding to support these activities.

Thanks to family donations and fundraising efforts, REPA sponsors yearly family events and holiday gatherings, as well as several outreach programs, including Adopt-a-Family, Family Sandwich Ministry, and Box of Joy.
